We are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.

This Code of Conduct has been approved and adopted by the Board of Directors for use by all Directors and Governors within Emmaus Catholic MAC on 21st July 2026 and will be reviewed in August 2027.

DEFINITIONS

In this document:

The term **‘Governing Board’** refers to the body with legal responsibility for conducting the school on behalf of the Diocesan Trustees and includes: the governing body of a Catholic voluntary aided school, the Board of Directors of a Catholic Multi Academy Company and the Local Governing Body of a Catholic school.

The term **‘Governor’** means a member of a Governing Board.

Where the term **‘School(s)’** is used, it includes:

- voluntary aided schools;
- in the case of an academy, the Multi Academy Company and all the academies within it;
- in the case of a federation, the federation and all the schools within it; and
- Catholic Schools and academies more generally (as appropriate).

‘Canon Law’ is the code by which the Catholic Church regulates itself and in the context of this document refers to the Code of Canon Law 1983 and any Particular Law such as legislation of the Bishops’ Conference, directives of the Diocesan Bishop and legislation of the School’s Religious Order (if any).

THE ROLE OF THE GOVERNING BOARD

As a Governing Board, our overarching responsibility is to ensure that we comply with our legal and canonical duty to ensure that the Catholic character of the school is preserved and developed. This duty permeates everything that we do.

We understand that Foundation Governors are required, as the cornerstone of their role, to ensure this objective is achieved. However, **all** Governors have a duty to preserve and develop the Catholic character of the school in order to fulfil the objects set out in its governing documents.

1. OUR THREE CORE STRATEGIC FUNCTIONS:

In accordance with our legal obligations, we will operate at a strategic level, leaving the school's senior leadership responsible and accountable for the operational running of the school. It is by achieving these aims that we can be sure that governance is effective.

Our core strategic functions are to:

1. Ensure clarity of Catholic vision, ethos and strategic direction;
2. Hold the appropriate senior leadership to account for the educational performance and Catholic character of the School and its pupils; and for the internal organisation, management and control of the School, including the performance management of its staff; and
3. Oversee the financial performance of the School and make sure its money is well spent.

We understand that the Catholic Church expects Catholic Schools to promote and uphold high standards, including academic standards, as an integral part of its educational vision for the holistic formation of children and young people.

We understand that Canon 806§2 requires that Catholic Schools are at least as academically distinguished as other schools in the area and that Governors should be mindful of this requirement in all that they do.

2. ADHERENCE TO THE NOLAN PRINCIPLES, CATHOLIC SOCIAL TEACHING & THE CODE OF CANON LAW

In carrying out our functions we will adhere to the Seven Nolan Principles of Public Life:

- **Selflessness** – acting solely in terms of the public interest and not in order to gain financial or other material benefits for ourselves, our family or our friends.
- **Integrity** – taking all steps to not place ourselves under any financial or other obligation to outside individuals or organisations that might seek to influence us in the performance of our official duties.
- **Objectivity** – in carrying out public business, being impartial and making choices fairly and on merit.
- **Accountability** – acknowledging that we are accountable for our decisions and actions to the public and submitting ourselves to whatever scrutiny is appropriate to our office.
- **Openness** – being as open and transparent as possible about all the decisions and actions that we take and giving reasons for our decisions and restricting information only when the wider public interest clearly demands.

- **Honesty** – being truthful in everything we do and declaring any private interests relating to our public duties, and taking steps to resolve any conflicts arising in a way that protects the public interest.
- **Leadership** – at all times promoting and supporting these principles by our leadership and example.

Furthermore, we will abide at all times by the Church's social teaching, which is a rich treasury of wisdom about building a just society, and ensure that our School is imbued with the key themes that are at the heart of Catholic social tradition, namely:

- **Dignity**
- **Solidarity**
- **The common good**
- **The option for the poor**
- **Peace**
- **Care for creation**
- **The dignity of work and participation**
