We are recruiting for a Head of Computing

Required for September 2022

Salary Range: MPS/UPR + TLR2B

Hours: Fulltime / Permanent

We are seeking a talented and committed teacher to take on the role of Head of Computer Science. You will lead the curriculum development of Computer Science, Creative iMedia & Applied IT, with responsibility for the day-to-day running of the department and the progress of our students. You will lead a committed and professional department with a love for Computing.

You must have experience of teaching across Key Stages 3 to 4 as a minimum, and ideally Key Stage 5, alongside the leadership and management experience to lead a strong department. A deep knowledge and understanding of current Computer Science specifications at Key Stage 4, and Key Stage 5 is essential.

This is a fabulous opportunity to take on a key middle leadership role, in a very good school, in a very strong department with excellent outcomes and high take up at Key Stage 4 and 5.
In addition, some of the key responsibilities will include:
- To continue to develop an innovative and progressive curriculum in computer science which is supported by a vibrant programme
- extracurricular and enrichment activities.
- Lead on the delivery of the curriculum and the assessment of student progress to ensure that teachers and students are working towards the highest standards of achievement.
- Work positively and collaboratively with the Department and collectively develop and improve all aspects of teaching and learning in this area.
- To performance manage robustly members of the Computer Science Department so that ambitious targets are met.

The successful candidate will be passionate about student development and influencing the formation of the whole child. They will have a positive, growth mindset outlook and revel in bringing out the very best in students.
