All applicants must be able to provide documentation to prove their right to work in the UK.

Effective from September 2022, KCSIE states as part of the shortlisting process schools and colleges should consider carrying out on-line searches as part of their due diligence on shortlisted candidates. This is to determine suitability to work with children and keep them safe. All shortlisted candidates are now subject to an on-line check and if there is anything concerning then the shortlisted candidate will be asked to comment on it prior to interview.
